- **January 24th, 2008 6 pm – 8 pm --- Fraxel Laser Treatment**
Wrinkles are treatable! Don't get frazzled, get Fraxeled! Fraxel™ Laser treatment remains our most popular and effective treatment for large pores, sun-damaged skin of the face, neck, chest and hands. Please join us for a live Fraxel demonstration and question and answer period. Hors d'oeuvres and attendance gift raffle provided. RSVP by January 21, 2008 at 231.935.0180.
- **February 21st, 2008 6pm – 8 pm --- Body Sculpting**
You have been faithfully working out since the beginning of the New Year, however, you just can't seem to sculpt your body as you would like. Come in to find out your surgical options to redrape the skin overlying your defined muscles. Or maybe you struggle with a persistent belly bulge that will not go away even after having performed 1000 sit-ups daily for many years. We would love to help. Please join Dr. Smith and staff for a fun-filled educative evening as he explores your personal surgical options. Healthy hors d'oeuvres and attendance gift raffle provided. RSVP by February 19th, 2008 at 231.935.0180.
- **April 24th, 2008 6pm - 8pm --- 6th Annual Spring Fling**
Join us Thursday, April 24th, 6 - 8 pm for our 6th Annual Spring Fling. Celebrate Spring and join us for scrumptious appetizers, attendance gifts, product samples and special savings on products and procedures. Bring a friend and join us for a fun-filled evening where you can ask the experts in an informal venue about cosmetic and reconstructive procedures, as well as skin and laser treatments. Booths will be set up and staffed with expert representatives from Botox Cosmetic®, Juvederm®, Jane Iredale Mineral Make-up®, Kinerase Pro®, SkinCeuticals, Obagi®, NIA 24®, SkinMedica™, Radiesse® and Mentor®. These experts will be available to discuss with you the latest and greatest skin and body enhancing benefits of their products and procedures. Demonstrations including Micropigmentation, Fraxel Laser treatment, Botox Cosmetic, wood's lamp analysis and Jane Iredale Mineral make-up will be performed as well. Camille and Jennie will be available to show you our lasers and answer your skin care questions. Dr. Smith will be available to answer your cosmetic and reconstructive questions or concerns. This is a must attend event!! Mark your calendar today and plan to attend on April 24th 6 - 8 pm. RSVP at (231) 935-0180 by April 21st. Space is limited. Call now!
